## The Saks Clothing ---And Why It Is Best

It's the superior product of superior facilities. The marksman who loads his guns and shuts his eyes when he shoots, may by chance hit the bull's-eye. So clothing that is made for wholesale selling may perchance hit your requirements. But it cannot be nearly so certain of it as that clothing which is practically made EXPRESSLY FOR YOU—AS THE SAKS-CLOTHING IS.

We give you what the custom-tailor gives you—individuality, literally individual making. That's why the Saks-Clothing fits as no other clothing in the world fits.

We give you what the custom-tailor cannot give you—the cost-advantage of a great making-organization. His exclusiveness with our minimized expense.

In ready-for-wear there's none to compare with ours. That's an admitted fact by all makers. It isn't "ready-made" in any sense but its preparedness—and it holds that advantage and a price-advantage over the finest making-to-order.

You may be skeptical. But test it—the proofs are so evident, and the satisfaction so complete, that there can be no doubts. We take all the responsibility—your money back if we don't convince and convert you thoroughly.

Give us the opportunity this spring—

In Suits from . . . \$7.50 to \$30.00

In Overcoats from . \$7.50 to \$30.00

In Rain Coats from \$10.00 to \$30.00

## Spring Hats

We could have most any hat agency we wanted—but we'd have to maintain agency prices. They include value and reputation. As it is we give you equal value and back the hat ourselves. You pay us \$2.00 and \$3.00 for hats that under some well-known brand names sell for \$3.00 and \$4.00. Identical shapes and parallel qualities.

## Spring Footwear

We do this big shoe-business of ours on two lines—Hanna's, (which is the very best shoe that can be made, no matter what the price)—and the "Saks \$3.00 Special" (which is the very best shoes ever made to sell at every man.

You ought to see the spring lasts of both lines—they are masterpieces of shoe-making art.

## THE MEN ARE IN CONDITION FOR LIVELY CONTESTS

All-Star Programme at Polo Rink  
Will Include Some Clever  
Boxers.

### AUSTIN RICE'S RECORD

Fast Featherweight Has Met and  
Defeated Most of Best Men  
in Country.

The men who are to appear in the boxing contests in the all-star programme under the management of the Indianapolis Athletic Club at the Auditorium Polo Rink on next Wednesday evening, are in first-class condition to put up lively contests. An array of clever men will be seen in the ring and the bouts should be faster and more interesting than any that have been given. The main event of the evening will be between Austin Rice, of New London, Conn., and Tony Moran, of New York, two of the best featherweights in the business. The semi-wind-up, of six rounds, will be between Eddie Sterns, of Noblesville, and George Koerner, of Indianapolis, both of whom are well known in the 138-pound class. There will also be a six-round encounter between Freddie Cole, of Alexandria, who has become quite a favorite with patrons of the game in this city, and Kid Ennis, a Columbus lad, who is under the management of Jack Rush, the man who made Kid McCoy famous. The first bout on the programme will be a four-round affair between two local lads, Ed. McElroy and Tony Moran. The club's matchmaker paid special attention to arranging the programme so as to have all the principal bouts, with a view of giving the best card of the year. The club decided to make the admission at popular prices in order to pack the house so as to interest more persons in the sport. Austin Rice and Tony Moran, who have met many good men in his time and not long since fought a draw with Tommy Feltz, one of the top-notchers in the featherweight class. Rice has been fighting for several years. His record during the past two years follows:

—1902—  
Feb. 12—Tim Callahan, won, St. Louis, 15 rounds.  
Feb. 27—Harry Harris, draw, Chicago, 6 rounds.  
March 12—Joe Bernstein, no decision, Philadelphia, 6 rounds.  
April 17—Dave Sullivan, draw, Waterbury, 20 rounds.  
April 29—Hugh McPadden, won, New London, 20 rounds.  
May 26—Benny Yanger, lost, Chicago, 6 rounds.  
June 3—Billy Ryan, won, New London, 20 rounds.  
Sept. 2—Mike Sears, draw, Lewiston, 15 rounds.  
Sept. 19—Hugh McPadden, lost, Scituate, 20 rounds.  
Sept. 22—Sammy Myers, draw, Baltimore, 20 rounds.  
Nov. 10—Sammy Smith, no decision, Philadelphia, 9 rounds.  
Nov. 27—Billy Ryan, won, Stamford Springs, 20 rounds.

—1903—  
Jan. 9—Tommy Feltz, draw, Boston, 12 rounds.  
Jan. 14—Young Corbett, lost, Hot Springs, 15 rounds.  
Jan. 26—Eddie Toy, won, St. Louis, 17 rounds.  
Feb. 19—Jack Hamilton, draw, Bellow's Falls, 15 rounds.  
March 5—Tommy Feltz, draw, New Britain, 20 rounds.  
April 2—Kid Goodman, draw, North Walpole, 15 rounds.  
April 6—Jack Hamilton, draw, Schenectady, 20 rounds.  
Oct. 7—Billy Ryan, won, Westfield, 10 rounds.  
Nov. 4—Kid Goodman, draw, Fall River, 15 rounds.

It will be seen that Rice has met some of the best men in the world and has won or secured draws with most of them. He lost to Young Corbett in the first round because he was not in the best of shape. This year he lost to Kid Herman and fought a draw with Kid Al.

The advance sale of seats will open tomorrow at Dallas Tyler's, No. 12 West Market street. The club announces that its prices will be 50c, 75c and \$1.

INTER-"FRAT" MEET  
TO BE HELD IN MAY

Last May the "frats" at the Manual Training School tried an inter-fraternity meet as a means of developing new material for the track team and the success of the contest has led the different clubs to decide to repeat the experiment. The Ran-Cheros will be represented by Rhodema, Diddle and Tad Shuler in the sprints, Shuler in the high jump and hurdles, Spohr in the pole-vault and King in the long runs.

The Manchus will be weak in the sprints, but they have good long distance runners in McIntosh and Simpson. Fred Murr will capture all the weight events for the Manchus. Thomas is good in the hurdles. One of the prettiest contests of the meet will be the race between the Ran-Cheros and Cheros, and his brother Hollie, of the Bash-Bazooks. Both will enter the same event, the 440 yard dash.

The Foresters includes Captain Dugan, West, Quinn, Turner and Miller. The club probably will be held about the first of May.
